PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
April 28, 2014

GENERAL INFORMATION

We are providing these proxy materials in connection with the solicitation by the Board of Directors of PS Business Parks, Inc. of proxies to be voted at our 2014 Annual Meeting and at any adjournment or postponement of the meeting. The 2014 Annual Meeting will be held on April 28, 2014 at 10:00 a.m., local time, at the Westin Pasadena, 191 N. Los Robles Avenue, Pasadena, California.

This proxy statement contains important information regarding our annual meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information that you may find useful in determining how to vote and describes voting procedures. This notice of annual meeting and proxy statement is first being distributed and made available to shareholders on or about March 27, 2014 to holders of our common stock on March 6, 2014, the record date for our annual meeting. A copy of our Annual Report to Shareholders for the fiscal year ended December 31, 2013, which includes a copy of our 2013 Annual Report on Form 10-K, accompanies this proxy statement.

We use several abbreviations in this proxy statement. We refer to PS Business Parks, Inc. as “PS Business Parks,” “we,” “us,” “our” or “the company,” unless the context indicates otherwise. We refer to our Board of Directors as the “Board.”

Purposes of the Meeting:

- To elect nine directors from the nominees named in Proposal 1 to the Board of PS Business Parks;
- To ratify the appointment of Ernst & Young LLP as PS Business Park’s independent registered public accounting firm for the fiscal year ending December 31, 2014, as set forth in Proposal 2;
- To approve, in an advisory vote, executive compensation as set forth in Proposal 3; and
- To consider any other appropriate matters properly brought before the meeting or any adjournment or postponement of the meeting.

Recommendations of the Board:

The Board recommends that you vote:

- **“FOR”** the election of the nine nominees for director named in Proposal 1;
- **“FOR”** ratification of the appointment of Ernst & Young LLP as the company’s independent registered public accounting firm for fiscal year 2014 as set forth in Proposal 2; and
- **“FOR”** the advisory vote to approve executive compensation as set forth in Proposal 3.

VOTING

Who May Attend the Meeting

Only shareholders of record of PS Business Parks common stock at the close of business on the record date of March 6, 2014 will be entitled to vote at the meeting, or at any adjournment or postponement of the meeting. On the record date, approximately 26,874,197 shares of the company’s common stock were issued and outstanding. Each common share is entitled to one vote.

If your shares are held in the name of a bank, broker, trustee or other nominee and you plan to attend our annual meeting, you will need to bring proof of ownership, such as a recent bank or brokerage account statement. A complete list of shareholders entitled to vote at the annual meeting will be available for inspection at our executive offices during regular business hours for not less than the ten days immediately preceding the date of the annual meeting.

Voting Your Shares at the Annual Meeting

Voting shares in person at the annual meeting. Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares for which you are the beneficial owner but not the shareholder of record may be voted in person at the annual meeting only if you obtain a legal proxy from the bank, broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also vote by proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

Voting shares without attending the annual meeting. Whether you hold shares directly as the shareholder of record or through a bank, broker, trustee or other nominee as the beneficial owner, you may direct how your shares are voted without attending the annual meeting. There are three possible ways to vote by proxy depending on how your shares are held:

- **By Internet** – Shareholders that hold their shares through a bank, broker, trustee or other nominee may submit proxies over the Internet by following the instructions on the voting instruction card if the bank, broker, trustee or other nominee has established procedures for internet voting.
- **By Telephone** – Shareholders that hold their shares through a bank, broker, trustee or other nominee may submit proxies over the telephone by following the instructions on the voting instruction card if the bank, broker, trustee or other nominee has established procedures for telephone voting.
- **By Mail** – Shareholders that hold shares directly or that hold shares through a bank, broker, trustee or other nominee may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed postage-paid envelope.

If additional matters are presented at the annual meeting. Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Ronald L. Havner, Jr. and Joseph D. Russell, Jr., will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote any shares represented by your proxy for such other candidate or candidates as may be nominated by the Board.

Inspector of elections. The inspector of elections will be a representative from our transfer agent, American Stock Transfer & Trust Company.

Special voting procedures for PS Business Parks 401(k)/Profit Sharing Plan participants. If you hold your shares as a participant in the PS 401(k)/Profit Sharing Plan, your proxy will serve as a voting instruction for the trustee of the plan with respect to the amount of common shares credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to your shares held in the plan, the trustee will vote those common shares in the manner specified. The trustee will vote any shares for which it does not receive instructions in the same proportion as the shares for which voting instructions have been received, unless the trustee is required by law to exercise its discretion in voting such shares. To allow sufficient time for the trustee to vote your shares, the trustee must receive your voting instructions by 7:00 a.m., Pacific Daylight Time, on April 24, 2014.

Voting mechanics. If you grant a proxy and do not revoke it before the applicable voting deadline, the persons designated as proxies will vote the common shares represented thereby, if any, in the manner specified. **If you grant a proxy but do not indicate how your shares should be voted on a matter, the shares represented by your properly completed proxy/voting instruction card will be voted (1) “For” the election of the Board’s nominees for director, (2) “For” the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2014, (3) “For” approval of executive compensation, and (4) in the discretion of the proxy holders on any other matter that may properly come before the meeting.** The persons designated as proxies reserve full discretion to cast votes for other persons if any of the nominees for director become unavailable to serve and to cumulate votes selectively among the nominees as to which authority to vote has not been withheld.

Voting Deadlines. If you hold your shares directly as a shareholder of record and wish to submit your proxy by mail, you must allow sufficient time for your mailing to be received no later than Friday, April 25, 2014. For shares you hold beneficially in the name of a bank, broker, trustee or other nominee, please refer to the proxy or voting instruction card provided by your bank, broker, trustee or nominee for the deadline to provide your voting instructions to your bank, broker, trustee or nominee.

Changing your vote. You may change your vote before the vote at the annual meeting in accordance with the following procedures. Any change to your voting instructions for the PS 401(k)/Profit Sharing Plan must be provided by 7:00 a.m., Pacific Daylight Time, on April 24, 2014. If you are the shareholder of record, you may change your vote by granting a new

proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Corporate Secretary at PS Business Parks, Inc., 701 Western Avenue, Glendale, CA 91201-2349, prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting alone will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in the name of a bank, broker, trustee or other nominee, you may change your vote by submitting new voting instructions to your bank, broker, trustee or nominee by the applicable deadline specified on the proxy or voting instruction card you received from your bank, broker, trustee or nominee, or, if you have obtained a legal proxy from your bank, broker, trustee or other nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Quorum

The presence at the meeting in person or by proxy of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business. If the shareholders present or represented by proxy at the meeting constitute holders of less than a majority of the shares entitled to vote, our meeting may be adjourned to a later date for the purpose of obtaining a quorum.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining whether a quorum exists.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Voting Rights

With respect to the election of directors, each holder of common stock on the record date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in the holder's name on the record date. A shareholder must, however, have given notice of the intent to cumulate votes before voting starts; no shareholder has given this notice. With respect to all other matters, shareholders can cast one vote for each share of common stock registered in their name on March 6, 2014, the record date of the annual meeting.

Proxy Solicitation Costs

We will pay the cost of soliciting proxies. In addition to solicitation by mail, certain directors, officers and regular employees of the company and its affiliates may solicit the return of proxies by telephone, personal interview or otherwise. We may also reimburse brokerage firms and other persons representing the beneficial owners of our shares for their reasonable expenses in forwarding proxy solicitation materials to such beneficial owners. Alliance Advisors LLC may be retained as our proxy distribution agent, for which they would receive an estimated fee of \$1,000 together with normal and customary expenses.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on April 28, 2014: This Proxy Statement, the 2013 Annual Report including the Annual Report on Form 10-K for the year ended December 31, 2013 and a sample proxy card are available at www.psbusinessparks.com/2014proxy.html.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Policies, Code of Ethics and Business Conduct Standards

The Board has adopted Corporate Governance Guidelines to outline its overall governance practices. The Board has also approved a code of Business Conduct Standards, applicable to directors, officers and employees, and a Directors' Code of Ethics. The Board regularly reviews its corporate governance policies in light of governmental rules and regulations, practices at other companies and investor input.

The Corporate Governance Guidelines provide that in an uncontested election of directors, each director nominee who does not receive at least a majority of the votes cast with respect to that director, must submit his or her resignation to the Board. For purpose of the Corporate Governance Guidelines, a majority means the number of votes cast "for" a director must exceed 50% of the votes cast with respect to the director. The Nominating/Corporate Governance Committee will then make a recommendation to the Board about whether to accept or reject the resignation or take other action. The Board will act on any such recommendation and publicly disclose its decision within 90 days from the date the election results were certified by the Inspector of Elections. If a director's resignation is accepted by the Board, the Board may fill the resulting vacancy or decrease the size of the Board in accordance with the bylaws.

The Corporate Governance Guidelines, the Business Conduct Standards and the Directors' Code of Ethics are each available on the company's website, www.psbusinessparks.com, and a copy of each may be obtained by sending a written request to the company's Investor Services Department, 701 Western Avenue, Glendale, California 91201-2349. Any amendments or waivers to the code of ethics for directors or executive officers will be disclosed on the company's website or other appropriate means in accordance with applicable Securities and Exchange Commission ("SEC") and New York Stock Exchange ("NYSE") requirements.

Board Leadership

We have separate individuals serving as Chairman of the Board and as Chief Executive Officer. Ronald L. Havner, Jr., has served as Chairman of the Board since March 1998. He was Chief Executive Officer of PS Business Parks from March 1998 until August of 2003 when he resigned to become Chief Executive Officer of Public Storage, a self-storage real estate investment trust ("REIT"). Public Storage is our largest shareholder. It has an approximately 42% common equity interest in the company as of March 20, 2014, comprised of approximately 27% of our outstanding common stock and 22% of our Operating Partnership's common partnership units. Mr. Havner's role as Chairman furthers his ongoing involvement with the business, and his in-depth knowledge of the company's operations and the real estate industry benefits the Board. Mr. Russell serves as Chief Executive Officer and is responsible for the day-to-day management and profitable growth of PS Business Parks.

PS Business Parks does not have a policy against one individual holding the position of Chairman and Chief Executive Officer. Rather, the Board evaluates the desirability of having a combined or separate Chairman and Chief Executive Officer from time-to-time and adopts a structure based on what it believes is in the best interests of PS Business Parks and its shareholders. Currently, the Board believes that having a separate Chairman and Chief Executive Officer is serving the interests of the company and its shareholders well.

In addition, the Board has established a position of independent presiding director, to provide an independent director with a leadership role on the Board. The independent presiding director presides at meetings of all non-management directors in executive session without the presence of management. These meetings are held on a regular basis, generally before each regularly scheduled Board meeting and at the request of any non-management director. In addition, the independent directors meet separately at least once annually. These sessions are designed to encourage open Board discussion of any matter of interest without the Chief Executive Officer or any other members of management present. The position of independent presiding director generally rotates annually among the chairs of the standing committees of the Board. Michael V. McGee, Chair of the Nominating/Corporate Governance Committee, is the independent presiding director for meetings of the non-management directors during 2014.

Board Responsibilities and Oversight of Risk Management

The Board is responsible for overseeing our company's approach to major risks and our policies for assessing and managing these risks. In connection with its oversight function, the Board regularly receives presentations from management on areas of risk facing our business. The Board and management actively engage in discussions about these potential and perceived risks to the business.

In addition, the Board is assisted in its oversight responsibilities by the standing Board committees, which have assigned areas of oversight responsibility for various matters as described in the Committee charters and as provided in NYSE rules. For example, the Audit Committee assists the Board's oversight of the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm and the performance of our internal audit function and independent registered public accounting firm. Pursuant to its charter, the Audit Committee also considers our policies with respect to risk assessment and risk management. The Audit Committee also reviews various potential areas of financial risk in detail on a regular basis. The Compensation Committee oversees the compensation of our Chief Executive Officer and other executive officers and evaluates the appropriate compensation incentives to motivate senior management to grow long-term shareholder returns without undue risk taking.

The Board committees also hear reports from the members of management to enable each committee to understand and discuss risk identification and risk management. The chairman of each of the Board's standing committees reports on the discussion to the full Board at the next Board meeting. All directors have access to members of management in the event a director wishes to follow up on items discussed outside the Board meeting.

Oversight of Compensation Risks. With respect to consideration of risks related to compensation, in March 2014, the Compensation Committee considered a report from management concerning its review of potential risks related to compensation policies and practices applicable to all of the company's employees. The Committee also considered management's conclusion that the company's compensation policies and practices are not reasonably likely to have a material adverse effect on our company.

In connection with preparing the report for the Compensation Committee's consideration, members of our senior management team, including our Chief Executive Officer, reviewed the target metrics for all our employee incentive compensation plans. At the completion of the review, management concluded that the incentive compensation plans did not create any significant motivation or opportunity for employees to take undue risks to achieve an incentive compensation award. Instead, management concluded that employees who are eligible for incentive compensation are properly incentivized to achieve short- and long-term company goals without creating undue risks for the company. Following completion of its review, members of our senior management discussed the results of management's compensation risk assessment with the Compensation Committee. The Compensation Committee, following discussion, reached a similar conclusion. The Committee expects to further review compensation risks from time to time.

Board Meetings

The Board meets at regularly scheduled intervals and may hold additional special meetings as necessary or desirable in furtherance of its oversight responsibilities. As described above, the non-management directors generally meet in executive session without the presence of management in connection with each regularly scheduled board meeting. During 2013, the Board held seven meetings and the Board committees held 17 meetings. During 2013, each director attended at least 75% of the meetings held by the Board and all committees of the Board on which he or she served. Directors are encouraged, but not required, to attend the annual meeting of shareholders. All directors nominated for election to the Board at the 2014 Annual Meeting attended the 2013 annual meeting, other than Robert S. Rollo who joined the Board in December 2013.

Board Orientation and Education

Each new director participates in an orientation program and receives material and briefings concerning our business, industry, management and corporate governance policies and practices. Continuing education is provided for all directors through board materials and presentations, discussions with management and the opportunity to attend external board education programs.

Director Stock Ownership Policy

Pursuant to the Corporate Governance Guidelines, each non-management director is encouraged to have a significant stock ownership in the company. All directors are expected, within three years of election, to own at least \$100,000 of common stock of the company, determined using the acquisition price.

Board Retirement Policy

The Board's Corporate Governance Guidelines provide that no person will be nominated for election to the Board if he or she would attain the age of 73 during such term. The Board has discretion to make exceptions to the policy to provide for a transition period of service.

Committees of the Board of Directors

Our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee. Each of the standing committees operates pursuant to a written charter which can be viewed at our website at www.psbusinessparks.com/corpGov.html. A print copy will be provided to any shareholder who requests a copy by writing to the company's Secretary at PS Business Parks, Inc., 701 Western Avenue, Glendale, CA 91201-2349.

Our three standing committees are described below, and the committee members and number of meetings held in 2013 are identified in the following table:

Director	Audit Committee	Compensation Committee	Nominating/Corporate Governance Committee
Jennifer Holden Dunbar	X	X	
James H. Kropp		X (Chairman)	X
Sara Grootwassink Lewis	X (Chairman)		X
Michael V. McGee		X	X (Chairman)
Gary E. Pruitt		X	
Robert Rollo*		X	X
Peter Schultz	X		
Number of meetings in 2013:	5	8	4

*Robert S. Rollo was appointed to the Compensation Committee and Nominating/Corporate Governance Committee in December 2013. No meetings were held by those committees in 2013 following his appointment.

Audit Committee

The primary functions of the Audit Committee are to assist the Board in fulfilling its responsibilities for oversight of (1) the integrity of the our financial statements, (2) compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the independent registered public accounting firm and (4) the scope and results of internal audits, the company’s internal controls over financial reporting and the performance of the company’s internal audit function. Among other things, the Audit Committee appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; approves all other services and fees performed by the independent registered public accounting firm; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews its charter and performance. The Board has determined that each member of the Audit Committee meets the financial literacy and independence standards of the NYSE. The Board has also determined that each member of the Audit Committee qualifies as an audit committee financial expert within the meaning of the rules of the SEC and NYSE.

Compensation Committee

The primary functions of the Compensation Committee as set forth in its charter are to (1) determine, either as a committee or together with other independent directors, the compensation of the company’s Chief Executive Officer, (2) determine the compensation of other executive officers, (3) administer the company’s equity and executive officer incentive compensation plans, (4) review and discuss with management the Compensation Discussion and Analysis (“CD&A”) to be included in the proxy statement and incorporated by reference into the Annual Report on Form 10-K and to recommend to the Board inclusion of the CD&A in the Form 10-K and proxy statement, (5) provide a description of the processes and procedures for the consideration and determination of executive compensation for inclusion in the company’s annual proxy statement, (6) review with management its annual assessment of potential risks related to the company’s compensation policies and practices applicable to all employees, (7) review the advisory shareholder vote on the company’s executive compensation programs, (8) produce the Compensation Committee Report for inclusion in the annual proxy statement and (9) evaluate its performance annually. The Compensation Committee has not delegated any of its responsibilities to individual members of the committee or to a subcommittee of the committee, although it has the discretion to do so.

As required by the charter, during 2013, the Compensation Committee and in some instances, the Compensation Committee and the independent members of the Board, made all final compensation decisions for our named executive officers, including the named executive officers set forth in the Summary Compensation Table below. The Compensation Committee has the sole authority to retain outside compensation consultants for advice, but historically and for 2013, has not done so, relying instead on surveys of publicly available information for information about senior executive compensation at similar companies. For a discussion of the Committee’s use of survey information in 2013, as well as the role of Mr. Russell, our Chief Executive Officer, in determining or recommending the amount of compensation paid to our named executive officers in 2013, see the CD&A beginning on page 17.

Nominating/Corporate Governance Committee

The primary functions of the Nominating/Corporate Governance Committee are to (1) identify, evaluate and make recommendations to the Board for director nominees for each annual shareholder meeting and to fill any vacancy on the Board, (2) develop a set of corporate governance principles applicable to the company and to review and assess the adequacy of those guidelines on an ongoing basis and recommend any changes to the Board and (3) oversee the annual Board assessment of Board performance. The Nominating/Corporate Governance Committee will consider properly submitted

shareholder nominations for candidates for the Board. See “Consideration of Candidates for Director” below. Other duties and responsibilities include periodically reviewing the structure, size, composition and operation of the Board and each Board committee; recommending assignments of directors to Board committees; conducting a preliminary review of director independence; overseeing director orientation; and annually reviewing and evaluating its charter and performance.

Director Independence

The Board evaluates the independence of each director annually based on information supplied by directors and the company, and on the recommendations of the Nominating/Corporate Governance Committee. The company’s Corporate Governance Guidelines require that a majority of the directors be independent in accordance with the requirements of the rules of the NYSE. A director qualifies as independent unless the Board determines that the director has a material relationship with PS Business Parks, based on all relevant facts and circumstances, in accordance with NYSE rules. Material relationships may include commercial, industrial, consulting, legal, accounting, charitable, family and other business, professional and personal relationships, and the Board also considers the director’s relationships with Public Storage, the largest shareholder of PS Business Parks.

Following its annual review of each director’s independence, in February 2014, the Nominating/Corporate Governance Committee recommended to the Board and the Board determined that (1) each member of the Board, other than Ronald L. Havner, Jr. and Joseph D. Russell, Jr., is independent pursuant to the rules of the NYSE, and (2) each Audit Committee member as well as each Compensation Committee member meets the additional independence requirements of the rules of the SEC. Mr. Russell was deemed not independent because he serves as Chief Executive Officer and President of PS Business Parks. Mr. Havner was deemed not independent because he is Chairman, Chief Executive Officer and President of Public Storage. Relationships between Public Storage and PS Business Parks are described on pages 29-30.

Compensation of Directors

The Compensation Committee of the Board periodically reviews the company’s non-employee director compensation and recommends any changes to the Board. The Board makes the final determination as to director compensation. The Board has approved the mix of cash and equity compensation described below.

Retainers and Meeting Fees. Retainers are paid in cash quarterly and are pro-rated when a director joins the Board other than at the beginning of a calendar year. During 2013, each non-employee director was entitled to receive the following retainers and meeting fees for Board and Board committee service:

- An annual retainer of \$25,000 paid quarterly.
- A Board meeting fee of \$1,000 for each meeting attended in person and \$500 for each telephonic meeting.
- A Board Committee fee of \$1,000 for each meeting attended in person and \$500 for each telephonic meeting.
- The Chairman of the Audit Committee also receives an additional annual fee of \$10,000, and the Chairman of each of the Compensation and Nominating/Corporate Governance Committees receives an additional annual fee of \$5,000.

Equity Awards. Each new non-employee director is, upon the date of his or her initial election by the Board or the shareholders to serve as a non-employee director, automatically granted an option to purchase 10,000 shares of common stock, which vests in five equal annual installments beginning one year from the date of grant, subject to continued service.

Annually, each non-employee director receives a non-qualified stock option to purchase 2,000 shares of common stock of the company, which vests in five equal annual installments beginning one year from the date of grant based on continued service. The annual grants are made immediately following the annual meeting of shareholders at the closing price for the company’s common stock on the NYSE on such date.

Upon the retirement of a director from the Board because the director is not nominated for re-election due to the Board’s Mandatory Retirement Policy, all outstanding options held by the director vest effective with the date of his or her retirement and the director has one year to exercise all vested options.

Retirement Stock Grants. Each non-employee director of the company receives, upon retirement as a director of the company, 1,000 shares of fully-vested common stock for each full year of service as a non-employee director of the company, up to a maximum of 7,000 shares. Rollo, none of whom has ever been an employee of the company. No member of the Compensation Committee had any relationship with the company requiring disclosure under Item 404 of SEC Regulation S-K. No executive officer of PS Business Parks served on the compensation committee or board of directors of any other entity which has an executive officer who also served on the Compensation Committee or Board of PS Business Parks at any time during 2013.

Consideration of Candidates for Director

Shareholder recommendations. The policy of the Nominating/Corporate Governance Committee to consider properly submitted shareholder recommendations for candidates for membership on the Board is described below under "Identifying and Evaluating Nominees for Directors." Under this policy, shareholder recommendations may only be submitted by a shareholder entitled to submit shareholder proposals under the SEC rules. Any shareholder recommendations

proposed for consideration by the Nominating/Corporate Governance Committee should include the nominee's name and qualifications for Board membership, including the information required under Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and should be addressed to: Edward A. Stokx, Secretary, PS Business Parks, Inc., 701 Western Avenue, Glendale, California 91201-2349. Recommendations should be submitted in the time frame described in this proxy statement under "Deadlines for Receipt of Shareholder Proposals for Consideration at the 2015 Annual Meeting" on page 30.

Director Qualifications. Members of the Board should have high professional and personal ethics and values. They should have broad experience at the policy-making level in business or other relevant experience. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. In general, the Board seeks to add directors who meet the independence requirements of the NYSE rules. In addition, director candidates must submit a completed director questionnaire concerning matters related to independence determination, the determination of whether a candidate qualifies as an audit committee financial expert and other proxy disclosure matters and must satisfactorily complete a background investigation by a third-party firm.

The Board has delegated to the Nominating/Corporate Governance Committee responsibility for recommending to the Board new directors for election and assessing the skills and characteristics required of Board members in the context of the current make-up of the Board. This assessment includes directors' qualifications as independent, as well as consideration of skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision and experience, all in the context of an assessment of the perceived needs of the Board at that time. Although the Nominating/Corporate Governance Committee does not have and does not believe there is a need for a formal policy concerning diversity, it seeks to ensure that a diversity of experience and viewpoints are represented on the Board and is also guided by the principles set forth in the Committee charter. There are no other policies or guidelines that limit the selection of director candidates by the Nominating/Corporate Governance Committee, and the Committee and the Board have and exercise broad discretion to select director candidates who will best serve the Board, PS Business Parks and its shareholders.

Identifying and Evaluating Nominees for Directors. The Nominating/Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating/Corporate Governance Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Corporate Governance Committee considers various potential candidates for director.

Candidates may come to the attention of the Nominating/Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Nominating/Corporate Governance Committee and may be considered at any point during the year.

As described above, the Nominating/Corporate Governance Committee considers properly submitted shareholder nominations of candidates for the Board in the same manner as other candidates. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating/Corporate Governance Committee prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a shareholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating such nominations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Communications with the Board of Directors

The company provides a process by which shareholders and interested parties may communicate with the Board of Directors. Any shareholder communication to the Board should be addressed to: Board of Directors, c/o Edward A. Stokx, Secretary, PS Business Parks, Inc., 701 Western Avenue, Glendale, California 91201-2349. Communications that are intended for a specified individual director or group of directors should be addressed to the director(s) c/o Secretary at the above address, and all such communications received will be forwarded to the designated director(s).

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Board recommends that shareholders ratify the Audit Committee’s selection of Ernst & Young LLP as the company’s independent registered public accounting firm (“Independent Accountants”) for the fiscal year ending December 31, 2014. Ernst & Young has acted as the company’s Independent Accountants since the company’s organization in 1990.

Ratification is not required by the company’s bylaws, but the Board believes that shareholder ratification of the appointment is good corporate governance. If shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider its selection, but may nevertheless determine to do so. Even if the appointment of Ernst & Young LLP is ratified by the shareholders, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interest of the company and its shareholders.

Representatives from Ernst & Young LLP will be in attendance at the 2014 Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Audit and Non-Audit Fees

The following table shows the fees billed or expected to be billed to the company by Ernst & Young LLP for audit and other services provided for fiscal 2013 and 2012:

Tax fees (3).....	\$ 59,000	\$ 50,000
Total.....	<u>\$ 556,000</u>	<u>\$ 537,000</u>

- (1) Audit fees represent fees for professional services provided in connection with the audit of the company’s annual financial statements and internal control over financial reporting, review of the quarterly financial statements included in the company’s quarterly reports on Form 10-Q and services in connection with the company’s registration statements, securities offerings and audits of financial statements of certain acquired assets.
- (2) Audit-related fees represent professional fees provided in connection with the audit of the company’s 401(k)/Profit Sharing Plan and property acquisition audits.
- (3) During 2013 and 2012, all of the tax services consisted of tax compliance and consulting services.

Auditor Independence. The Audit Committee has determined that the Independent Accountants' provision of the non-audit services described above is compatible with maintaining the Independent Accountants' independence.

Policy to Approve Ernst & Young LLP Services. The Audit Committee has adopted a pre-approval policy relating to services performed by the company's independent registered public accounting firm. Under this policy, the Audit Committee of the company pre-approved all services performed by Ernst & Young LLP during 2013, including those listed in the previous table. The Chairman of the Audit Committee has the authority to grant required approvals between meetings of the Audit Committee, provided that any exercise of this authority is presented at the next committee meeting.

Vote Required

The affirmative vote of holders of a majority of the shares represented at the meeting and entitled to vote is necessary to ratify the selection of Ernst & Young LLP as the company's Independent Accountants for 2014. Abstentions will have the effect of a vote against this proposal.

Board Recommendation:

The Board unanimously recommends that you vote "FOR" the ratification of the selection of Ernst & Young LLP as the company's Independent Accountants for 2014.

Audit Committee Report

The Audit Committee's responsibilities include appointing the company's independent registered public accounting firm, pre-approving audit and non-audit services provided by the firm and assisting the Board in providing oversight to the company's financial reporting process. In fulfilling its oversight responsibilities, the Audit Committee meets with the company's independent registered public accounting firm, internal auditors and management to review accounting, auditing, internal controls and financial reporting matters.

In fulfilling its responsibilities, the Audit Committee meets with the company's independent registered public accounting firm, internal auditor and management to review accounting auditing internal controls and financial reporting matters. Management is responsible for the company's financial statements, including the estimates and judgments on which they are based, for maintaining effective internal controls over financial reporting and for assessing the effectiveness of internal controls over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. It is not the Audit Committee's responsibility to plan or conduct audits or to determine that the company's financial statements and disclosures are complete, accurate and in accordance with U.S. generally accepted accounting principles and applicable laws, rules and regulations. The Audit Committee's responsibility is to monitor and oversee these processes and necessarily relies on the work and assurances of the company's management and of the company's independent registered public accounting firm.

In connection with its oversight responsibilities related to the company's financial statements included in the company's Annual Report on Form 10-K, the Audit Committee met with management and Ernst & Young LLP, the company's independent registered public accounting firm, and reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by PCAOB Auditing Standard No. 16 (Communication with Audit Committees), as modified or supplemented. The Audit Committee's also discussed with the Independent Accountants the overall scope and plans for the annual audit, the results of their examinations, their evaluation of the company's internal controls and the overall quality of the company's financial reporting.

The company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by the applicable rules of the Public Company Accounting Oversight Board, and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. In addition, the Audit Committee has considered whether the independent registered public accounting firm's provision of non-audit services to the company and its affiliates is compatible with the firm's independence.

During 2013, management documented, tested and evaluated the company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and SEC regulations adopted thereunder. The Audit Committee met with representatives of management, the internal auditors, legal counsel and the independent registered public accounting firm on a regular basis throughout the year to discuss the progress of the process. At the conclusion of this process, the Audit Committee received from management its assessment and report on the

effectiveness of the company's internal controls over financial reporting. In addition, the Audit Committee received from Ernst & Young LLP its attestation report on the company's internal control over financial reporting. These assessments and reports are as of December 31, 2013. The Audit Committee reviewed and discussed the results of management's assessment and Ernst & Young LLP's attestation.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the Securities and Exchange Commission. The Audit Committee also approved the appointment of Ernst & Young LLP as the company's independent registered public accountants for the fiscal year ending December 31, 2014 and recommended that the Board submit this appointment to the company's shareholders for ratification at the 2014 Annual Meeting.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Our compensation goals are to hire, retain and motivate our senior management to create long-term shareholder value. At our 2013 Annual Meeting, more than 97% of the votes cast on our say-on-pay proposal were voted in favor of the proposal. Our Compensation Committee considered the results of this vote and concluded that its pay for performance philosophy is supported by shareholders.

2013 Executive Compensation Highlights

2013 Company Performance. The overall economy and commercial property owners specifically continued to experience a very slow recovery, making it difficult for owners and our management team to consistently grow rents across the country. Despite these challenges, our management team was able to deliver solid results on several fronts. For fiscal 2013, net operating income ("NOI") increased 3.9% over 2012 and the company reduced its average blended cost of preferred equity by 0.8% while maintaining a conservative financial profile. In addition, management improved occupancy on the 6.8 million square feet acquired in 2011 and 2012 from 76.5% to 90.7% as of December 31, 2013.

2013 Executive Compensation. The Compensation Committee's decisions with respect to 2013 compensation are discussed in detail below. To summarize the Committee's decisions:

- base salaries for the named executive officers were increased effective July 1, 2013 - Mr. Russell's base salary was set at \$567,500 (previously \$467,500), Mr. Petersen's at \$355,000 (previously \$330,000), Mr. Stokx's at \$275,000 (previously \$247,500) and Ms. Hawthorne's at \$325,000 (previously \$247,500);
- based on management's achievement of 2013 adjusted funds available for distribution ("FAD") of \$109.8 million, bonuses paid to the named executive officers for 2013 were at 126.6% of their total targeted opportunity and ranged from \$348,150 to \$718,455;
- Ms. Hawthorne was given an additional discretionary bonus of \$76,050 as a result of her promotion to Chief Administrative Officer and contributions to key business initiatives, bringing her total bonus for 2013 to \$487,500;
- Mr. Stokx was also given an additional discretionary bonus of \$64,350 in recognition of his excellent leadership in 2013 of the company's preferred and common offerings and credit rating process, bringing his total bonus for 2013 to \$412,500;
- the annual targeted total return was not achieved under the company's 2012-2015 long term equity incentive program (the "2012-2015 LTEIP"), so no restricted stock units ("RSUs") under the 2012-2015 LTEIP were awarded to the named executive officers for 2013 performance and, in addition, the company determined that it was unlikely that any grants would ever be awarded under this plan, as described further below; and
- no stock options were awarded to the named executive officers during 2013, and the Committee does not anticipate making any stock option grants to the named executive officers during the remaining term of the 2012-2015 LTEIP or under the new Long Term Equity Incentive Plan for 2014-2017 (the "New LTEIP", described below), which both provide for awards of RSUs if targets/conditions are achieved.

2014 Compensation Outlook

Although the Committee believes the company is well positioned to meet the challenges, the operating environment for commercial real estate in 2014 continues to be challenging. Given these expectations, the Compensation Committee met in March 2014 and made the following decisions for 2014 executive officer compensation:

- executive officer base salaries are to be maintained at 2013 levels;
- 2014 bonus target amounts are set at 100% of base salary for each executive officer if the 100% bonus target is achieved;
- the threshold for payment of bonuses is tied to achieving targeted levels of growth in Same Park NOI and adjusted FAD; in determining whether the bonus paid is to be at, above, or below, the target bonus amount, the Compensation Committee will solicit the views of the Chief Executive Officer (with respect to the other named executive officers) and the Chairman and the Board, with respect to the Chief Executive Officer, taking into account the performance of each named executive officer, including achievement of individual performance goals and other factors deemed relevant by the Compensation Committee;
- for purposes of Section 162(m) of the Internal Revenue Code, if applicable, all named executive officer bonuses are capped at five times base salary; and
- with a view to providing executive officers appropriate incentives in respect of our growth and performance over a multi-year time horizon, the Compensation Committee adopted the New LTEIP in recognition that the total return metrics established in connection with the 2012-2015 LTEIP were not probable of being met.

PS Business Parks Executive Officer Stock Retention Requirement

Our executive officers are required to retain 20% of shares of our common stock previously acquired under the Senior Executives Long-Term Incentive Program for 2005-2008 for the duration of their employment by PS Business Parks. Similarly, executives are required to retain 20% of any shares of our common stock that may be awarded under the 2012-2015 LTEIP for the duration of their employment with PS Business Parks.

Executive Compensation Philosophy and Objectives

Our compensation goals are to hire, retain and motivate our senior management to create long-term shareholder value. We pay our named executive officers a mix of cash and long-term equity compensation that we consider appropriate in view of individual and corporate performance, competitive levels, and our objective of aligning individual and shareholder interests to maximize the value of our shareholders' investments in our securities. In general, our compensation program for named executive officers consists of (1) payment of a base salary, (2) short-term incentives in the form of annual cash bonuses and (3) long-term incentives in the form of equity awards, which may be restricted stock units or stock options, which vest upon continued service or the achievement of defined performance goals. Annual and long-term incentive compensation for named executive officers is designed to reward achievement of company-wide performance goals by tying awards primarily to financial objectives such as growth in FAD, Net Asset Value ("NAV"), Same Park NOI and the performance of acquired properties, and the achievement of targeted levels of property-level returns after transactional capitalized expenditures. Other corporate and individual objectives are also considered from time to time.

Because each component of our compensation program is designed to accomplish or reward different objectives, historically and in 2013, the Compensation Committee determined the award of each component separately. Historically and in 2013, the Compensation Committee did not retain or rely on information provided by any third-party compensation consultant in setting compensation levels and awards for our named executive officers. The Compensation Committee reviews information concerning compensation of executive officers at the Compensation Survey Companies named on page 23. However, information regarding the Compensation Survey Companies is only one factor considered by the Compensation Committee in determining the compensation paid to the named executive officers. The Compensation Committee also considers corporate, business unit and individual performance generally, and, particularly with respect to Mr. Russell's compensation, input from other Board members, including the Chairman of the Board. With respect to the compensation of the executive officers who report to Mr. Russell, the Compensation Committee also considers the recommendations of Mr. Russell.

The Compensation Committee made all final compensation decisions for named executive officers in 2013. For more information on the Compensation Committee and its responsibilities, see "Corporate Governance and Board Matters—Compensation Committee" on page 6.

Elements of Compensation

Base Salaries. Base salaries provide a base level of monthly income for our named executive officers. We believe that providing a fixed level of guaranteed cash compensation is important to allow us to attract and retain executives. We establish base salaries for named executive officers at levels sufficient to achieve our hiring and retention goals but where a significant portion of the total annual cash compensation such executives can earn is performance-based through our annual cash bonus program as opposed to through base salaries.

Base salaries are set based on factors that include whether levels are competitive with the salaries for individuals with comparable experience and responsibilities at the Compensation Survey Companies, competitive conditions in the local market, an individual's performance and responsibilities and the business judgment of the members of the Compensation Committee. The factors considered also include input from other Board members, including the Chairman of the Board, particularly with respect to Mr. Russell's salary, and the recommendations of Mr. Russell for the other named executive officers. In general, the Compensation Committee reviews base salaries every two years for the named executive officers.

Bonuses. Our annual incentive cash bonus program provides an opportunity to reward named executive officers for performance during the fiscal year. It is generally based on the achievement of corporate, or a combination of corporate and individual, performance goals. The corporate performance goals generally relate, in any given year, to one or more of the following financial factors: growth in FAD, growth in Same Park revenue, growth in Same Park NOI and/or the maintenance of targeted levels of property-level returns after transactional capitalized expenditures. Achievement of other operational and financial goals may also be included from time to time. Individual performance goals vary from year to year depending on management's and the Compensation Committee's view of what is required.

Target annual incentive bonus amounts are set for each named executive officer typically at 100% of base salary. The actual awards are determined by the Compensation Committee after confirming the corporate performance and, with respect to individual and other goals, considering the recommendations of the Chief Executive Officer with respect to the performance of the other named executive officers. In addition, the Compensation Committee solicits the views of the

Chairman and the Board, particularly with respect to the performance of the Chief Executive Officer. The Compensation Committee has the discretion to increase or reduce the amount of any actual award based on those factors that the Compensation Committee considers appropriate.

Equity-Based Compensation. Equity awards of RSUs or stock options are long-term incentives designed to reward long-term growth in the price of and, in the case of RSUs, dividends paid on our common stock. Both types of equity awards help retain executives because they achieve their maximum value only if the executive continues to be employed by us for a period of years and their value is enhanced if the price of our common stock increases over the common stock price on the date of grant. RSU awards may also offer value during difficult market conditions because they retain some value even in declining markets, which may enhance their retention value at a time when we may most need executive talent. Stock options have value solely to the extent that the price of our common shares increases over the grant price during the term of the option. Stock options are granted with an exercise price of not less than 100% of the fair market value of our common stock on the date of grant so that the executive officer may not profit from the option unless the stock price increases. No stock options were awarded to executive officers in 2013, and the Compensation Committee does not anticipate granting stock options to any current executive officer during the remaining term of the 2012-2015 LTEIP or the New LTEIP.

The Compensation Committee has the discretion to award executive officers RSUs, stock options or a mix of both. The Compensation Committee does not set awards based on a fixed weighting between stock options and RSUs. However, it may determine not to award stock options or RSUs during certain periods. Since 2012, the Compensation Committee has focused equity compensation for the named executive officers on the 2012-2015 LTEIP and it is anticipated that equity compensation will be focused on RSU awards that may be made under the New LTEIP for the 2014-2017 performance period.

Equity Grant Practices

Equity grants, including grants of restricted stock, RSUs or stock options, to all executive officers, including named executive officers, must be approved by the Compensation Committee. These grants occur only at meetings of the Compensation Committee (including telephonic meetings), and such grants are made effective as of the date of the meeting or a future date, if appropriate (such as in the case of a new hire). In general, the Compensation Committee evaluates equity awards for executive officers in February or March of each year and evaluates the awards in light of performance during the preceding year. Equity awards are not timed in coordination with the release of material non-public information. The exercise price of all options granted is equal to the closing market price of our common stock on the date of grant.

Equity awards, including grants of stock options, to employees who are not executive officers may also be made by the Equity Awards Committee of the Board, which consists of two directors appointed by the Board, currently and during 2013, Messrs. Havner and Russell. These grants are made pursuant to the terms of the 2012 Equity and Performance-Based Incentive Compensation Plan and the authorization of the Board. The Equity Awards Committee acts after consideration of management's recommendations. Equity grants to non-executive officers may be made at various times during the year, but are not timed in coordination with the release of material non-public information. Awards to non-executive officers typically vest over a six-year period with vesting beginning one year following the date of grant and then in five equal annual installments.

2013 Compensation

2013 Base Salaries. In July 2013, the Compensation Committee approved increases in base salaries, effective July 1, 2013, for the named executive officers. Accordingly, Mr. Russell's base salary was set at \$567,500 (previously \$467,500), Mr. Petersen's at \$355,000 (previously \$330,000), Mr. Stokx's at \$275,000 (previously \$247,500) and Ms. Hawthorne's at \$325,000 (previously \$247,500). This was the first increase in the base salaries for these executive officers since 2011, consistent with the Compensation Committee's practice to review base salaries every two years. Base salaries for executive officers have been maintained for 2014 at 2013 levels.

Annual Bonuses for 2013 Performance. In March 2013, the Compensation Committee met and considered the appropriate targets to incentivize senior management for 2013 performance in the light of still challenging market conditions. After consideration of the company's strategic goals and input from Mr. Russell and other Board members, including the Chairman of the Board, the Committee determined that payment of senior executive bonuses would involve a threshold of a 25% bonus payment with additional amounts payable based on the amount of growth in FAD over 2012, adjusted for certain items, as described below, up to a maximum of 200% bonus payment of the target amount. To achieve a bonus pool for payment of bonuses at the 100% level, the Committee determined that adjusted 2013 FAD must exceed \$108.0 million.

Adjusted FAD for these purposes is calculated after FAD is computed. FAD is computed by adjusting consolidated FFO for recurring capital improvements, which the company defines as those costs incurred to maintain the assets' value, tenant improvements, lease commissions, straight-line rent, stock compensation expense, impairment charges, amortization of lease incentives and tenant improvement reimbursements, in-place lease adjustment and the impact of EITF Topic D-42. Consolidated FFO is computed as net income, before depreciation, amortization, minority interest in income, gains or losses on asset dispositions and nonrecurring items. For purposes of calculating the FAD bonus target amounts, 2013 FAD was also adjusted to neutralize the impact of maintenance capital expenditures and by (1) increases in preferred distributions due to the issuance of preferred securities and (2) income, capital and expenses incurred in connection with asset acquisitions in 2013. The Compensation Committee selected FAD as the sole financial metric because of its importance to both the PS Business Parks senior executive team and to investors.

In March 2014, the Compensation Committee considered that adjusted 2013 FAD was \$109.8 million, which qualified executive officers for bonuses of 126.6% of their targeted bonus level. This resulted in payments for Mr. Russell of \$718,455, for Mr. Peterson of \$449,430, for Ms. Hawthorne of \$411,450 and for Mr. Stokx of \$348,150. For the reasons previously mentioned in the 2013 highlights section, discretionary bonuses were also awarded to Ms. Hawthorne (\$76,050) and Mr. Stokx (\$64,350).

The Chief Executive Officer did not participate in the deliberations of the Compensation Committee with respect to setting his bonus.

Deferred Acquisition and Disposition Bonus Program. The deferred acquisition and disposition bonus program provides for bonus payments based on the achievement of individual property-specific goals primarily designed to promote growth at a property following acquisition. If the Company acquires more than one property during the year, a separate set of goals is established for each property. The goals relate to an individual property and the circumstances of that property at the time of acquisition. The goals may vary from property to property and may relate to occupancy, rental rates or other property-specific objectives. The goals exclude the capitalized costs of the acquisition and are measured at the end of the property's "stabilization" period when management has completed any necessary transition activities to assimilate the property into the company's portfolio. The stabilization period is determined by a number of factors, including necessary repositioning and capital investment, and can range from several months to one, two or three years, typically. Occasionally, the program is used to incentivize certain executives in connection with property disposals.

The amount of the potential bonus pool paid is determined at the discretion of the Compensation Committee based on growth at each individual acquisition property that stabilizes during a given year and may be an amount up to five basis points (0.05%) of the individual property's acquisition price. If a pool is established for a newly stabilized property, the recipients and amounts paid are determined in the discretion of the chief executive officer. The chief executive officer and the chief financial officer are not eligible to participate. For 2013, Mr. Petersen was the only named executive officer to receive an award under the program, which was in the amount of \$1,500. The program will be discontinued for the named executive officers going forward.

2013 Equity-based Compensation. The equity-based compensation opportunity afforded our executive officers in 2013 was limited to RSU awards that might be earned under the 2012-2015 LTEIP adopted in December 2011. Under the LTEIP effective for the 2012-2015 performance period, named executive officers are eligible to receive two types of awards of RSUs if the company achieves targeted increases in total return (defined as growth in the company's internally calculated net asset value (NAV) together with dividend yields) over annual and cumulative four-year performance periods. To the extent the total return target is not achieved for an annual award, the shares allocated for RSU awards in respect of such year are added to the shares that may be received if the four-year target is achieved. The targets for 2012 and 2013 were not achieved and management has determined that it is not probable that any targets under the remaining annual or cumulative periods of the 2012-2015 LTEIP will be met. As such, the company stopped recording amortization and recorded a reversal of all 2012-2015 LTEIP amortization previously recorded in 2012 of \$3.9 million during the year ended December 31, 2013.

In March 2014, the Compensation Committee reevaluated the effectiveness of the 2012-2015 LTEIP as a compensatory tool in light of the challenges of achieving the performance targets established by the 2012-2015 LTEIP in light of the slower-than-targeted recovery in the company's NAV resulting from continued challenges in our industry and in the economy as a whole. The Compensation Committee determined that, although the 2012-2015 performance metrics appear unlikely to be achieved, it remains important for senior management to remain focused on the company's long-term performance, and be rewarded for that. As a result, the Compensation Committee approved a new long-term equity incentive compensation program (the New LTEIP) that will be effective for the 2014-2017 period.

The New LTEIP provides for awards to be made to our executive officers if the company achieves annual and four-year average total return levels that the Compensation Committee has determined to be challenging but achievable. The total return metric to be used for the New LTEIP is similar to the metric used for the 2012-2015 LTEIP, described above. Annual RSU awards may be made following completion of each of four separate annual performance periods, and a cumulative RSU award may be made in early 2018 based on total return achieved over the period 2014-2017. The awards vest ratably over four years beginning on the date of the award.

The New LTEIP places greater emphasis on achievement of annual total return goals than the 2012-2015 LTEIP, providing that executive officers may earn up to 20% of the potential RSU awards that may be made under the New LTEIP each year if the maximum performance level is achieved for that year, with the actual number of RSUs awarded each year determined based on achievement of threshold, target and maximum levels of total return. If the company's total return does not meet the maximum performance level for any year, a number of RSUs equal to the difference between the maximum and the actual number of RSUs awarded for that year, if any, will be added to the pool of RSUs that may be awarded in respect of the cumulative award that may be made in early 2018.

The following table shows the number of RSUs that may be awarded to our named executive officers in respect of a given year and over the four-year averaging period assuming the company's achievement of threshold, target and maximum performance levels of total return for each performance period. The table also shows the maximum number of RSUs each named executive officer may earn under the New LTEIP. The RSUs available for award under the New LTEIP have been allocated among the chief executive officer and the other named executive officers based on the Compensation Committee's subjective assessment of each individual's relative responsibilities and contributions to the company's total returns. With respect to the allocations to the named executive officers other than Mr. Russell, the committee also considered the recommendations of Mr. Russell.

	Potential Annual RSU Awards under New LTEIP, by Total Return Performance Level*			Total Number of RSUs That May be Awarded to Each Named Executive Officer under New LTEIP, Assuming Maximum Performance Level
	Threshold	Target	Maximum	
Joseph D. Russell, Jr.	17,500	22,500	25,000	125,000
Maria R. Hawthorne	8,400	10,800	12,000	60,000
John W. Petersen	8,400	10,800	12,000	60,000
Edward A. Stokx	7,000	9,000	10,000	50,000

* For purposes of the cumulative RSU awards, assumes that the company's total return met the maximum performance level in each of the individual years in the performance period such that none of the potential RSU awards for an individual year were carried over for potential award based on the company's four-year average total return performance.

Role of Executive Officers. In general, Mr. Russell attends all meetings of the Compensation Committee at which (1) compensation of the other named executive officers or other employees is discussed and/or (2) company-wide compensation matters, such as the consideration of new equity plans, are discussed. Mr. Russell does not vote on items before the Compensation Committee. As discussed in more detail below, the Compensation Committee solicits Mr. Russell's view on the performance of the executive officers reporting to him, including each of the other named executive officers. In general, the Compensation Committee sets the compensation for the other named executive officers after consideration of the recommendations prepared by Mr. Russell with respect to appropriate amounts to reward and incentivize each named executive officer. In addition, the Compensation Committee solicits the views of the Chairman of the Board and other Board members, particularly with respect to compensation for Mr. Russell. The Compensation Committee met eight times during 2013. Mr. Russell attended at least a portion of all of the meetings. Mr. Russell did not participate in the deliberations of the Compensation Committee with respect to setting his compensation.

Compensation Survey Companies. Each component of compensation for the named executive officers—salary, annual cash bonus and equity compensation—is based generally on the Compensation Committee's (and Mr. Russell's for each of the other named executive officers) subjective assessment of each individual's role and responsibilities, corporate and individual achievements and consideration of market compensation rates. Market compensation rates are considered by the

Compensation Committee in determining compensation levels. However, we do not “benchmark” or specifically target certain levels of compensation. For the named executive officers, the Compensation Committee primarily determines market compensation rates by reviewing public disclosures of compensation paid to senior executive officers at other office and industrial companies with a total market capitalization and other metrics that the Compensation Committee considers broadly comparable (the “Compensation Survey Companies”). In 2013, the Compensation Survey Companies were:

- Alexandria Real Estate Equities, Inc.
- BioMed Realty Trust
- Boston Properties Inc.
- Brandywine Realty Trust
- Corporate Office Properties Trust
- DCT Industrial Trust Inc.
- Douglas Emmett, Inc.
- Duke Realty Corp.
- EastGroup Properties, Inc.
- First Industrial Realty Trust, Inc.
- First Potomac Realty Trust
- Franklin Street Properties Corp.
- Highwoods Properties, Inc.
- Kilroy Realty Corporation
- Liberty Property Trust
- Mack Cali Realty Corp.
- ProLogis
- SL Green Realty Corp.

As discussed above, the information regarding the Compensation Survey Companies is only one factor considered by the Compensation Committee in determining the compensation paid to the named executive officers. The Compensation Committee also considers corporate, business unit and individual performance and the views of other Board members, including the Chairman, as well as the recommendations of Mr. Russell with respect to compensation of the other named executive officers.

Tax and Accounting Considerations--Code Section 162(m). Section 162(m) of the Code imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to each of the chief executive officer and three other highest paid employees of a publicly-held corporation (other than the chief financial officer). Certain performance-based compensation awarded under a plan approved by shareholders is excluded from that limitation, as is certain compensation paid by a partnership, such as PS Business Parks, L.P. (the “Operating Partnership”). Most of our employees and all of our named executive officers are employed by the Operating Partnership. As a result, we do not believe the provisions of Section 162(m) apply to compensation for our named executive officers, who are employees of the Operating Partnership. However, our 2012 Equity and Performance-Based Incentive Compensation Plan was designed to permit the Compensation Committee to make awards that qualify for deduction as performance-based compensation consistent with the requirements of Section 162(m). The Compensation Committee generally considers the requirements of Section 162(m) when reviewing incentive compensation matters.

-
- (1) Includes amounts of between \$747 and \$801 per annum in holiday emoluments paid to each named executive officer.
- (2) Includes (a) the portions of 2013 and 2012 cash bonuses that were not based on the achievement of pre-established performance criteria – see "Compensation Discussion and Analysis – Annual Bonuses for 2013 Performance" on pages 20-21 and (b) the cash portion paid for 2011 bonuses. The remainder of the 2011 bonus was paid in RSUs that vest in five equal installments two years from the date of grant. Because the RSU award was not based on achievement of pre-established performance criteria, SEC rules consider the award to be part of 2012 (not 2011) compensation and therefore require the value of the awards to be reported as a Stock Award for 2012 and in the Grant of Plan Based Awards as a grant on February 22, 2012, the date the Compensation Committee approved the award.
- (3) See note (2) above. The number of RSUs granted as part of the 2011 bonus was as follows: 4,000 to Mr. Russell, 3,000 to Mr. Petersen and 2,000 to each of Mr. Stokx and Ms. Hawthorne. The amounts for stock awards reflect the grant date fair value. For a more detailed discussion and assumptions used in valuing the awards, refer to Note 11 to the company's audited financial statements for the fiscal year ended December 31, 2013, included in the company's Annual Report on Form 10-K filed with the SEC on February 24, 2014.
- (4) Includes amounts earned pursuant to the company's annual incentive award program. For Mr. Petersen, also includes \$1,500, \$275 and \$5,362 awarded under the deferred acquisition/disposition bonus plan for 2013, 2012 and 2011, respectively.
- (5) All Other Compensation for 2013 consists of company contributions to the 401(k)/Profit Sharing Plan (4% of the annual cash compensation up to a maximum of \$10,200 in 2013)

The following table sets forth certain information relating to grants of plan-based awards to the named executive officers during 2013.

Maria R. Hawthorne	8,000 shares	\$ 189,590

- (1) Value realized represents the difference between the market price of the company stock at the time of exercise and the exercise price of the options. Does not reflect any tax or other required withholdings.

PENSION/NON-QUALIFIED DEFERRED COMPENSATION PLANS

We do not maintain a pension plan or deferred compensation plan for any of our employees, including the named executive officers.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Payments Upon Termination

We do not have a formal severance or retirement program for payments on termination of employment through voluntary or involuntary termination, other than as specifically set forth in the company's Performance-Based Compensation Plan, 2003 Plan, 401(k)/Profit Sharing Plan or as required by law. These include:

- vested stock options following a voluntary termination of employment must be exercised within 30 days following the individual's last date of employment;
- amounts contributed under our 401(k)/Profit Sharing Plan; and
- accrued and unused vacation pay paid in a lump sum.

Payments Upon Death or Disability

In the event of the death or permanent and total disability of a named executive officer while employed by the company, the executive officer will receive 401(k)/Profit Sharing Plan contributions noted above and accrued unused vacation pay, in addition to the following:

- All unvested outstanding stock options held by the officer accelerate and vest as of the date of death and may be exercised during the one-year period following the date of death, but prior to termination of the option;
- All outstanding unvested stock options and restricted stock units held by the officer continue to vest and are exercisable during the one-year period following the date of such permanent and total disability, but prior to termination of the option; and
- The officer will receive payments under the company's life insurance program or disability plan, as applicable, similar to all other employees of the company.

Payments Upon a Change of Control

The company's 2003 Plan provides that upon the occurrence of a "change of control" of the company:

- all outstanding unvested restricted stock units and restricted stock grants will vest immediately; and
- all outstanding unvested stock options vest 15 days before consummation of such a change of control and are exercisable during such 15-day period, with such exercise conditioned upon and effective immediately before consummation of the change of control.

A "change of control" is defined in the 2003 Plan to include:

- the dissolution or liquidation of the company or a merger in which the company does not survive,
- the sale of substantially all the company's assets, or
- any transaction which results in any person or entity, other than B. Wayne Hughes and members of his family and their affiliates, owning 50% or more of the combined voting power of all classes of our stock.

The foregoing provisions do not apply to the extent (1) provision is made in writing in connection with the "change of control" for continuation of the 2003 Plan or substitution of new options, restricted stock and restricted stock units or (2) a majority of the Board determines that the "change of control" will not trigger application of the foregoing provisions.

Under the company's 2012 Equity and Performance-Based Compensation Plan pursuant to which the 2012-2015 LTEIP was adopted, the occurrence of a change of control would result in the cessation of the measurement period under the plan as of the date of the change of control. Had a change of control occurred as of December 31, 2013, no payouts would have been made under the 2012-2015 LTEIP.

The following table shows the estimated value of the acceleration of unvested equity awards pursuant to the termination events described above assuming the change of control event occurred as of December 31, 2013 and assuming a closing market price of our common stock on such date of \$76.42.

Name	Value of vesting of all outstanding unvested options (1)	Value of vesting of all outstanding restricted stock units (2)
Joseph D. Russell, Jr.	\$625,820	\$305,680
John W. Petersen	\$433,260	\$229,260
Edward A. Stokx	\$336,980	\$152,840
Maria R. Hawthorne	\$385,120	\$152,840

- (1) Represents the difference between the exercise price of options held by the executive and the closing price of the PS Business Parks common stock on the NYSE on December 31, 2013 of \$76.42.
- (2) Represents the number of restricted stock units multiplied by the closing price of the company's common stock on the NYSE on December 31, 2013.

PROPOSAL 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are again providing shareholders an advisory vote to approve the compensation of our named executive officers, also known as a "say-on-pay" proposal. The Board has determined to hold these votes annually. The advisory vote is a non-binding vote on the compensation of our named executive officers as described in this proxy statement in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation and the company's accompanying narrative disclosure.

At our 2013 Annual Meeting, more than 97% of the votes cast on our say-on-pay proposal were voted in favor of the proposal. Our Compensation Committee considered the results of this vote as strongly supporting the elements and amounts of compensation paid in respect of 2012 performance as well as the compensation opportunities afforded for long-term

growth and performance. As a result, the Compensation Committee did not make any significant changes to the company's executive compensation program for 2013.

The Compensation Committee's goal for our executive compensation program is to hire, retain and motivate our senior management to achieve solid financial results and create long-term shareholder value. We believe that our compensation programs have been effective in helping the company move towards its financial and operational goals during a difficult economic period. For fiscal 2013, net operating income increased 3.9% over 2012 and the company reduced its average blended cost of preferred equity by 0.8% while maintaining a conservative financial profile. In addition, management improved occupancy on the 6.8 million square feet acquired from 2010 to 2012 from 76.5% to 90.7% as of December 31, 2013. Based on management's 2013 achievements and our conservative compensation practices, your Board recommends that you again vote to approve our compensation program for executive officers.

In summary, compensation actions in 2013 for the named executive officers included:

- base salaries for the named executive officers were increased for the first time since 2011;
- based on management's achievement of 2013 adjusted FAD of \$109.8 million, bonuses paid to the named executive officers for 2013 performance were at 126.6% of their total targeted opportunity and ranged from \$348,150 to \$718,455;
- Ms. Hawthorne was given an additional discretionary bonus of \$76,050 as a result of her promotion to Chief Administrative Officer and contributions to key business initiatives;
- Mr. Stokx was also given an additional discretionary bonus of \$64,350 in recognition of his excellent leadership in 2013 of the company's preferred and common offerings and credit rating process;
- as the annual targeted total return for 2013 was not achieved under the company's 2012-2015 LTIEP, no RSUs under the LTEIP were awarded to the named executive officers for 2013 performance;
- no stock options were awarded to the named executive officers during 2013; and
- the company did not generally provide any perquisites, tax reimbursements or change-in-control benefits to named executive officers that are not available to other employees.

We believe our compensation program for executive officers will help to continue to drive improved company performance even if economic conditions remain challenging. We also believe these programs helped drive 2013 performance. Accordingly, the Board recommends that shareholders approve the compensation of the company's named executive officers as disclosed pursuant to the SEC's compensation rules, including the Compensation Discussion and Analysis, the compensation tables and the narrative disclosures that accompany the compensation tables in this proxy statement.

Vote Required

Advisory approval of this proposal requires the affirmative vote of at least a majority of the shares represented at the meeting and entitled to vote. Abstentions will have the effect of a vote against this proposal. Broker non-votes, if any, will have no effect on the outcome of this proposal.

The vote on our executive compensation programs is advisory and nonbinding on the company. However, the Compensation Committee, which is responsible for designing and administering the company's executive compensation program, values the opinions expressed by the company's shareholders and will consider the outcome of the vote when making future compensation decisions.

Your Board of Directors unanimously recommends that you vote "FOR" approval of the company's executive compensation of our named executive officers as disclosed in this proxy statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transaction Approval Policies and Procedures. With respect to transactions involving our directors, our Director Code of Ethics provides for review by the Board of related party transactions that might present a possible conflict of interest. The Nominating/Corporate Governance Committee of the Board reviews related party transactions involving Board members pursuant to the Directors' Code of Ethics. Directors are requested to submit

information in advance to the Nominating/Corporate Governance Committee. The Committee considers the matters submitted to it and makes a recommendation to the Board with respect to any action to be taken. The director with an actual, potential or apparent conflict of interest does not participate in the decision-making process related to the transaction.

Our executive officers are subject to our company-wide Business Conduct Standards (“BCS”). Under the BCS, executive officers are required to discuss and seek pre-approval of the Chief Executive Officer of any potential conflicts of interest. In addition, the Audit Committee reviews, on an ongoing basis, related party transactions involving our executive officers and directors or Public Storage that may require Board pre-approval under applicable law or may be required to be disclosed in our financial statements.

Relationship with Public Storage. The properties in which the company has an equity interest are generally owned by the Operating Partnership. As of March 1, 2014, the company owned approximately 77.7% of the Operating Partnership’s common partnership units. The remaining common partnership units were owned by Public Storage. The 7,305,355 units of limited partnership interest in the Operating Partnership held by Public Storage and affiliated partnerships are redeemable (pursuant to the terms of the agreement of limited partnership of PS Business Parks, L.P.) by the holder for cash or, at the company’s election, for shares of the company’s common stock on a one-for-one basis. Upon conversion of the units to common stock of the company, Public Storage and its affiliated partnerships would own approximately 42.3% of the common stock (based upon the common stock outstanding at March 1, 2014 and assuming such conversion).

Management Agreement with Affiliates. The Operating Partnership operates industrial, retail and office facilities for Public Storage and partnerships and joint ventures of which Public Storage is a general partner or joint venturer (“Affiliated Entities”) pursuant to a management agreement under which Public Storage and the Affiliated Entities pay to the Operating Partnership a fee of 5% of the gross revenues of the facilities operated for Public Storage and the Affiliated Entities. During 2013, Public Storage and the Affiliated Entities paid fees of approximately \$639,000 to the Operating Partnership pursuant to that management agreement. As to facilities directly owned by Public Storage, the management agreement has a seven-year term with the term being automatically extended for one year on each anniversary date (thereby maintaining a seven-year term) unless either party (Public Storage or the Operating Partnership) notifies the other that the management agreement is not being extended, in which case it expires, as to such facilities, on the first anniversary of its then scheduled expiration date. As to facilities owned by the Affiliated Entities, the management agreement may be terminated as to such facilities upon 60 days’ notice by Public Storage (on behalf of the Affiliated Entity) and upon seven years’ notice by the Operating Partnership.

Public Storage also provides property management services for the self-storage component of two assets owned by the company. These self-storage facilities, located in Palm Beach County, Florida, operate under the “Public Storage” name. Under the property management contracts, Public Storage is compensated based on a percentage of the gross revenues of the facilities managed. Under the supervision of the company, Public Storage coordinates rental policies, rent collections, marketing activities, the purchase of equipment and supplies, maintenance activities and the selection and engagement of vendors, suppliers and independent contractors. In addition, Public Storage assists and advises the Company in establishing policies for the hire, discharge and supervision of employees for the operation of these facilities, including on-site managers, assistant managers and associate managers. Both the company and Public Storage can cancel the property management contract upon 60 days’ notice. Management fee expenses under the contract were approximately \$59,000 for the year ended December 31, 2013.

We had amounts due to Public Storage of approximately \$181,000 at December 31, 2013 for these contracts, as well as for certain operating expenses paid by the company on behalf of Public Storage.

Public Storage also owns and licenses the PS Business Parks name and logo to the company under a royalty-free license that may be terminated upon six-month’s notice to the company.

Cost Sharing Arrangements with Affiliates and Other Transactions. Under a cost sharing and administration services agreement, PS Business Parks shares the cost of certain administrative services and rental of corporate office space with Public Storage and its affiliates. During 2013, we paid costs totaling approximately \$432,000.

STOR-Re and third party insurance carriers have provided PSB, Public Storage and other affiliates of Public Storage with liability and casualty insurance coverage for occurrences prior to April 1, 2004. In November 2013, our 4.0% interest in STOR-Re was acquired by Public Storage at an estimated fair market value of approximately \$1.1 million in cash. PSB has obtained its own liability and casualty insurance covering occurrences on or after April 1, 2004.

On October 1, 2013, we lent \$100.0 million to Public Storage under a term loan which was repaid in full on October 18, 2013. The loan bore interest at 1.388%.

Board Members. Ronald L. Havner, Jr., Chairman of the Board, is also Chairman of the Board, Chief Executive Officer and President of Public Storage. Gary E. Pruitt, a director, is also a member of the Public Storage Board.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the company's directors and executive officers and persons who own more than 10% of any registered class of the company's equity securities to file reports of ownership and changes of ownership of those securities with the SEC and the NYSE. Executive officers, directors and greater than 10% stockholders are required by SEC regulations to provide the company with a copy of all Section 10(a) forms that they file. Based on a review of the reports submitted to the company and of filings on the SEC's EDGAR website and of written representations from executive officers and directors, the company believes that all directors and officers filed timely reports.
